PREFACE

This “Current Contents” is an annual issue published by the periodicals section of Main Library, Eastern University, Sri Lanka, under the Current Awareness Services (CAS). This issue includes the content pages of the selected periodicals which are received by the Library during the period of January to June, 2023.

Since the research journals, conference proceedings and some general periodicals are used as the sources of compiling this “**Current Contents**”, I hope this publication will be very supportive for the academics and scholars to perform their academic teaching, learning and research activities in the University.

I wish to thank all the library staff who provide assisted me to compile and publish this “Current Contents” successfully.

(Finally, I expect your comments and suggestions to improve this service in future.)
